SANCERRE ROUGE AOP

Domaine Fournier Père & Fils pursues its mission of revealing the terroirs of Sancerre for sommeliers and wine lovers.

Our terroirs selection range reveals the nuances and the style of 3 Terroirs curated from our finest Sancerre vineyards.

They easily distinguish themselves by their aromatic intensity and complexity.

Grape variety Sauvignon Blanc
Serving temperature 10 to 12°C
Ageing potential 4 to 12 years

The 'Silex' terroir produces the most sought-after Sancerre thanks to their elegance and their intense minerality. Located alongside the Loire river, it is a very 'early-ripening' soil. The flint stones accumulate heat from the sun during the day and radiate at night which accelerate the maturity of the grapes.

WINEMAKING & AGEING

The grapes are picked very early in the season. They are delicately pressed in a pneumatic press. Prior to the fermentation, the terroir expression is maximized by an extended contact between the clear juice and the fine lees. A cold temperature fermentation ensures a slow fermentation that reveals the complexity. The aging on fine lees for 8 months refines the style and magnifies the balance.

FOOD PAIRING

Thanks to its great minerality, the Silex shines with delicate seafood, lobsters or cappon magro. This cuvée is a great match with your best 'gourmet' dishes.

TASTING NOTES

The wine is pale with silvery reflections. The nose reveals aromas of citrus, grapefruit, and bergamot, complemented by notes of lemon blossom and white peach. On the palate, it is linear yet rounded, harmoniously balancing fruity nuances with a refreshing minerality. The wine is distinguished by its taut character, leading to a long, invigorating finish.

VINTAGE 2025

On our flinty terroir, we aim for wines that are sharp, taut, and mineral-driven, reflecting the character of Sauvignon Blanc on the Sancerre soils. The 2025 vintage provided us with exceptionally healthy and high-quality grapes.
