Grape variety Pinot Noir  
Serving temperature 8 à 10°C  
Ageing potential 2 à 3 ans

Made from 100% Pinot Noir vines aged between 10 to 15 years old, the vineyard grows on a soil subtly balanced between layers of clay and layers of rocky sand. The Pinot Noir flourishes in the mild Loire climate, necessary to the grape's maturity.

**WINEMAKING & AGEING**

In order to keep the aromatic potential of the grapes, the harvest is done early in the morning when the temperatures are at the lowest. Pressing is done at a low pressure to get the lightest pink color, as an invitation to delicacies. Fermentation takes place during autumn to preserve its delicate colour. It is bottled the winter following the harvest.

**FOOD PAIRING**

A great refreshing drop, our Loire Rosé will perfectly compliment your summer meals with friends at a BBQ.

**TASTING NOTES**

Elaborated in a dry style, its light pink colour is an invitation to discovery. Our Pinot Noir rosé is refined with a real personality. The nose is elegant, with notes of blueberry and red fruit. The palate is tasty, filled with raspberry and strawberry aromas.
