Grape variety Sauvignon Blanc
Serving temperature 8 to 10°C
Ageing potential 2 to 3 years

The Sauvignon Blanc is the ambassador and the main grape variety of the Loire Valley. Our vineyards are planted on 'clay and sand' soils in the villages of Oisly, Couddes and Thenay in the heart of the Touraine. Our Sauvignon Blanc delivers a great aromatic intensity with a loose fruity palate and a salivating acidity.

WINEMAKING & AGEING
The Touraine region makes the most of the 'Indian Summer', an early autumn warm spell that allows the grapes to fully mature. The grapes are harvested at night or early morning to keep all their aromas. The juices are traditionally vinified. The ageing is made in stainless steel tanks, with fine lees stirring twice a week for a minimum of 6 months. The wine is bottled in the spring following the harvest after a slight filtration.

FOOD PAIRING
Our Cuvée MMM is a wonder as aperitif or with sea food, more precisely with crabs & oysters. It may also accompany fine delicacies or goat cheeses.

TASTING NOTES
Pale gold colour with white reflections. The very subtle nose combines white flowers, pear, citrus fruit and delicate spices. The smooth, fresh, fruity mouthfeel is lightly accented by spices and an acidulous touch. The finish is persistent, mineral and spicy.

VINTAGE 2023

The idea behind the 2023 vintage was to achieve a little more concentration on the palate with longer ageing, while, of course, retaining the Sauvignon Blanc aromas that are the signature of this cuvée. The wine exhibits all the characteristics of this grape variety, with a palate structured by freshness and spices.
