Grape variety Pinot Noir
Serving temperature 8 à 10°C
Ageing potential 2 à 3 ans

Made from 100% Pinot Noir vines aged between 10 to 15 years old, the vineyard grows on a soil subtlety balanced between layers of clay and layers of rocky sand. The Pinot Noir flourishes in the mild Loire climate, necessary to the grape's maturity.

WINEMAKING & AGEING
In order to keep the aromatic potential of the grapes, the harvest is done early in the morning when the temperatures are at the lowest. Pressing is done at a low pressure to get the lightest pink color, as an invitation to delicacies. Fermentation takes place during autumn to preserve its delicate colour. It is bottled the winter following the harvest.

FOOD PAIRING
A great refreshing drop, our Loire Rosé will perfectly compliment your summer meals with friends at a BBQ.

TASTING NOTES
This wine will seduce you with its eye-catching grapefruit-pink hue, intense red fruit aromas and rich, dense and indulgent palate. A wine with exceptional balance and all the charms of Provence!

VINTAGE 2021

2021 offered an ideal environment for our Pinot Noir Rosé with relatively cool temperatures and consistent ripening. An ideal combination that has imparted exceptional finesse to the wine.
