Grape variety Sauvignon Blanc
Serving temperature 8 to 10°C
Ageing potential 2 to 3 years

The Sauvignon Blanc is the ambassador and the main grape variety of the Loire Valley. Our vineyards are planted on 'clay and sand' soils in the villages of Oisly, Couddes and Thenay in the heart of the Touraine. Our Sauvignon Blanc delivers a great aromatic intensity with a loose fruity palate and a salivating acidity.

WINEMAKING & AGEING
The Touraine region makes the most of the 'Indian Summer', an early autumn warm spell that allows the grapes to fully mature. The grapes are harvested at night or early morning to keep all their aromas. The juices are traditionally vinified. The ageing is made in stainless steel tanks, with fine lees stirring twice a week for a minimum of 6 months. The wine is bottled in the spring following the harvest after a slight filtration.

FOOD PAIRING
Our Cuvée MMM is a wonder as aperitif or with sea food, more precisely with crabs & oysters. It may also accompany fine delicacies or goat cheeses.

TASTING NOTES
The nose exudes aromas of blackcurrant bud, grapefruit and white peach. The palate opens up with a soft and tactile attack before gaining in intensity on the mid palate and then giving way to exotic fruity notes and a mouthwatering acidity on the finish.

VINTAGE 2021

2021 was a winemaker's vintage to say the very least. The high standard of work and expertise in the vineyards enabled our Sauvignon Blancs to reach optimum ripeness.
