TOURAINE
SAUVIGNON BLANC AOP

Blessed with vineyards spanning over 8 communes of the appellation, our cuvée 'Les Belles Vignes' has become a benchmark in Sancerre.

Sancerre is the most prestigious and renowned appellation of the Loire. Early texts dating from the Middle Ages already mention the vineyards of Sancerre.

International capital of Sauvignon Blanc, its inimitable style is born from the magic alliance between the varietal and the 3 unique soils of the appellation: Silex, Caillottes and Terres Blanches.

Grape variety Sauvignon Blanc
Serving temperature 8 to 10°C
Ageing potential 4 to 8 years

Carefully selected from vineyards spread over the 3 terroirs of the appellation, our Cuvée 'Les Belles Vignes' delights with its precision and its regularity. Domaine Fournier Père et Fils attaches the utmost importance to perfection in the vineyard and at the winery. Made with great care and attention to detail, Les Belles Vignes represents the best alliance of the three terroirs.

WINEMAKING & AGEING

Our vineyards receive the utmost attention throughout the year. The plots are harvested with great care, at perfect maturity, so that each terroir can be revealed. After an extraction at low pressure, the juices ferment for 3-4 weeks at a controlled temperature. An ageing on fine lees as well as a very light filtration allow us to offer you the best of Sancerre's terroirs!

FOOD PAIRING

Its sharp lemon-lime fruit is fully revealed with delicate seafood, it will be ideal for your refined shellfish: oysters, lobsters, crayfish, crabs...

TASTING NOTES

Pale yellow hue with white glimmers. The nose is initially discreet yet opens up gradually to reveal aromas of grapefruit, clementine, fresh apple and pear. The palate is saline and mineral with notes of white fruits and candied pineapple. Notes of fruit and sweet spice linger on the finish.

VINTAGE 2022

This wine is made from a blend of three terroirs in Sancerre. We really love the strength of this blend of terroirs which succeeds in combining and accentuating the qualities of each.
