Grape variety Sauvignon Blanc
Serving temperature 8 to 10°C
Ageing potential 2 to 3 years

The Sauvignon Blanc is the ambassador and the main grape variety of the Loire Valley. Our vineyards are planted on 'clay and sand' soils in the villages of Oisly, Couddes and Thenay in the heart of the Touraine. Our Sauvignon Blanc delivers a great aromatic intensity with a loose fruity palate and a salivating acidity.

WINEMAKING & AGEING

The Touraine region makes the most of the 'Indian Summer', an early autumn warm spell that allows the grapes to fully mature. The grapes are harvested at night or early morning to keep all their aromas. The juices are traditionally vinified. The ageing is made in stainless steel tanks, with fine lees stirring twice a week for a minimum of 6 months. The wine is bottled in the spring following the harvest after a slight filtration.

FOOD PAIRING

Our Cuvée MMM is a wonder as aperitif or with sea food, more precisely with crabs & oysters. It may also accompany fine delicacies or goat cheeses.

TASTING NOTES

The wine is bright, coral-pink. The aromatic nose reveals notes of fresh red fruits, white peach, as well as sweets and English candy. On the palate, fresh and round, it charms with soft floral nuances and fruity flavors. The fresh, delicate finish evokes the sensation of biting into a red fruit.

VINTAGE 2025

Our MMM stands out for its structure and richness. The 2025 vintage reveals a beautiful balance: a nose that is more discreet than usual yet characteristic, paired with a generous and dense palate.
